### IOWA BOARD OF PAROLE AUDIT

**FY 2015 Audit.** State Auditor Mary Mosiman recently released the audit report on the Iowa Board of Parole (BOP) for FY 2015. The Iowa Board of Parole's mission is to enhance overall public safety by making evidence-based and informed parole decisions for the successful re-entry of offenders back into the community to become productive and responsible citizens.

**FY 2015 Findings.** The BOP did not set a targeted small business (TSB) procurement goal for FY 2015 that was greater than the actual TSB spending level in FY 2014. Iowa Code section [73.16](#) requires each state agency or department director to establish a TSB procurement goal for each fiscal year, and requires that this goal be established at a level exceeding actual procurement levels from the previous year. The Board responded that it will work to ensure that the TSB procurement goal is set higher than actual TSB procurement spending during the previous fiscal year.
